

BareBones Productions

Call for Procession Musicians and Dancers

Statements to the Community

We invite you to refer to [Barebones 2021 Announcement and Statement of Intention](#) before considering applying to BareBones.

Description

Procession Musicians and/or Dancers will work collaboratively with the other artists, directors and the production team to create music and/or dance for a community Procession related to grief/death/ancestors/loss/remembering for an event which will occur on October 31st, 12-3 pm. Route will be approximately 1.5 miles around Powderhorn Park to Chicago and Lake. Given that there will be changing guidelines around legal sizes of gatherings and social distancing, musicians and dancers are responsible for coordinating their group so that they can perform safely within guidelines. Unlike in previous years there will be no build or rehearsal space, no truck for transport. Musicians and Dancers are called upon to create within their own spaces, find their own materials and consider how to transport their group to the event site(s) on their own.

This year's theme is "El Grito de los Ancestros," "The Cry of the Ancestors," and the Procession will be Latine-centered and all inclusive/everyone welcome. There is a separate call for Krewes (with love for New Orleans) and Krewe Leaders including an Indigenous Krewe, Latine Krewe, Afro Black Krewe, Justice Krewe, Stilts Krewe, Bike Puppets Krewe, Ancestors of Adoptees Krewe, East African Krewe, Asian Krewe. Procession Musicians and Dancers will be placed near the Krewe they culturally identify with most, with assistance of the Procession Director and Director of Culture (Mina and Adriana) who will help find places for ALL.

Qualifications

- Experience as walking musicians or dancers
- Strong leadership and communication skills

Responsibilities Include

- Designing/creating/rehearsing a musical component of the Procession
- Transporting any materials (instruments etc)
- Participating/Performing in the scheduled Procession
- Working within Covid-19 safety guidelines
- Communicating regularly with production team (co-directors, route coordinator, production manager)
- Attending bi-weekly staff meetings

This is a temporary, independent contractor position that requires candidates to have their own access to tools, build space, storage, materials, and technologies necessary for the job.
